Page 1: General Academic Regulations & Code of Conduct

1.1 Mandatory Attendance Regulation

A student is required to secure a minimum of 75% attendance in each registered theory, lab, and embedded course to be eligible to appear for the Final Assessment Test (FAT). Students with 74% to 65% attendance may apply for condonation on medical or university-approved official representation grounds, subject to approval from the Dean of Academics and payment of prescribed condonation fee. Attendance below 65% results in grade 'N' (Debarred due to lack of attendance), requiring the student to re-register for the course during the supplementary or summer semester.

1.2 Code of Student Conduct & Discipline

Every student must wear their official VIT Identity Card prominently while on university premises. Ragging in any form is strictly prohibited by law and university statute, carrying penalties up to immediate expulsion and police prosecution. Possession or consumption of alcohol, narcotics, cigarettes, or any prohibited substances inside campus or hostels results in severe disciplinary action including semester rustication.

2.1 Ten-Point Grading System

VIT follows a 10-point relative grading scale for theory and laboratory courses: Grade 'S' (Outstanding, 10 points), Grade 'A' (Excellent, 9 points), Grade 'B' (Very Good, 8 points), Grade 'C' (Good, 7 points), Grade 'D' (Satisfactory, 6 points), Grade 'E' (Pass, 5 points), and Grade 'F' (Fail, 0 points). Grade 'N' indicates debarred due to shortage of attendance.

2.2 Dean's Honour List & Merit Scholarships

Students who secure a Semester Grade Point Average (SGPA) of 9.25 and above with no standing arrears and no disciplinary record are awarded the prestigious Dean's Honour List Certificate. The top 2% rank holders in each branch receive a 50% tuition scholarship under the University Merit Scheme.
